PARIS-B

An abstract painting serves as the background, featuring bold brushstrokes in shades of orange, red, green, and grey against a light beige or cream-colored canvas. The composition is dynamic, with thick impasto textures and varying paint application.

SHEN HAN 沈翰

QI ZHUO 齊倬

YANG YONGLIANG 楊泳梁

沈翰 · 西湖, PARIS-B藝廊, 巴黎 2023  
Shen Han · West Lake, PARIS-B, Paris 2023

**沈翰**, 1988年出生於中國杭州。2017年取得柏林藝術大學自由藝術系碩士學位。現工作生活於德國柏林。

沈翰的作品在混沌中充斥著時而被藏匿、時而被察覺、又不時被誤讀的繪畫元素，相互交融消解於畫布之上，唯有在整體的觀察中才逐步明朗。油彩構建的色塊、賦有律動的線條與隱匿的空間描繪，真相未明的畫面在流動不相連續的景觀中交互浮現，標示著藝術家透過破碎空間的理解，在非具像與抽象之間的不斷探索。抽象繪畫語言的表達，由觀者自行完成開放性的解讀，畫面中未完成的部分為零碎線索延伸開展的可能性。無秩序的景觀在觀者與藝術家的共謀與想像中，相互妥協而後完整，懸而未決的狀態方為萬像初始揭開了序曲。

他試圖尋找繪畫和身體的關係，憑借油彩構建的色塊，多變的線條與隱匿的空間描繪促成潛意識與繪畫語言的融合。借由對破碎空間的理解，在非具像與抽象之間不斷探索，於混沌中架構畫面的隱形秩序。

**Shen Han** was born in 1988 in Hangzhou, China. He graduated from the Berlin University of the Arts in 2017 with a Master's degree in Fine Arts. He now works and lives in Berlin.

Through his creative process, Shen Han attempts to find the relation between painting and body, focusing on an openness of forms building-up a connection between the material and perception through the action of painting.

His works do not have a planned subject or object, but initiate from the gesture, constructing an abstract pictorial plane through basic elements such as colour and line. While working on his painting, Shen Han also has the brain react with the images and colours that randomly appear through beholding, connecting the brain's special memory of images to depict and explore the human subconscious.

齊倬 · History never really says goodbye, PARIS-B藝廊, 巴黎, 2023  
Qi Zhuo · History never really says goodbye, PARIS-B, Paris, 2023

**齊倬**,1985年出生於中國遼寧阜新，目前生活工作於法國巴黎和中國景德鎮。齊倬畢業於法國勒芒高等美術學院，日內瓦藝術設計大學和利摩日國家高等美術學院。齊倬的作品包含了他對多元文化的哲思、對誤解殘缺的包容以及對材料歷史的尊重。他善於調度包括陶瓷、玻璃、金屬與紙在內的各種材料，以挖掘其文化積澱，重訪歷史傳統，並在物質之間的轉換中獲得微妙的平衡，使創作表達轉化為更加具有綜合性的藝術語言。

中國五代十國風格的佛教雕像被藝術家“修覆”在玻璃泡泡中。這種風格的佛頭殘像，經歷了幾次興佛與滅佛，它代表著東方曾發生過的破壞聖像的運動，而聖像最後卻在混沌渾亂中確立出一個鮮明的形象，許多年里這樣的形象脫離了它自身的美學土壤，如幽靈般地跟隨著齊倬，進入全球化的語言，成為他的“不敬”的道具，作為時間和空間粘合的證據，藝術家假意地“修覆”了它，卻用著時間和地理上毫不相幹的材料補充它的完整性。

**Qi Zhuo** was born in 1985 in Fuxin, Liaoning, China, and now lives and works between Paris, France and Jingdezhen, China. Qi Zhuo graduated with honors from the Le Mans School of Art and Design (with a DNSEP diploma), before completing the KAOLIN postgraduate program at ENSA Limoges in France and the Geneva University of Art and Design in Switzerland. Zhuo's practice contains reflections on multiculturalism and cultural misunderstandings. He deploys various materials such as ceramics, glass, metal, and paper, exploring their history, cultural significance, and internal traditions. By transforming these materials, he establishes a delicate balance and creates a comprehensive artistic language.

The artist “restores” Buddhist statues from China’s Five Dynasties and Ten Kingdoms period (A.D. 907–960) in glass bubbles. From which we perceive the temporal notion of “slowness”, an eternal splice while maintaining a geographical fluidity. Such style of damaged Buddhist heads, evident in Buddhism’s many rounds of rising and falling, represents the violent movements of religious icons in the East. Eventually, they established a distinct image out of the chaos and confusion. Over the years, such images became detached from its own aesthetic origins and followed Qi like ghosts. They enter the global language and became a metaphor of his “irreverent” as evidence of time and space. In his false “restoration”, Qi supplements its integrity with temporally and geographically irrelevant materials.

楊泳梁·華源，美高梅，澳門 2019  
Yang Yongliang · Hua Yuan, MGM Cotai Theater, Macau 2019

**楊泳梁**, 1980 年生於上海, 自幼接受中國古典文化熏陶, 2003 年畢業於中國美術學院視覺傳達系。現生活和工作往返在紐約與上海間。受中國古典文化的熏陶, 楊泳梁像繪畫藝術家一樣使用數字媒體(如攝影、影像、繪畫)進行創作, 通過用現代語言和技術去塑造和描繪出傳統山水畫和書法中的場景, 將東方古典美學信仰以及他心中所向往的文人之境和當代藝術進行連接。

楊泳梁關注高速發展的經濟和城市化所帶來的環境與社會問題, 對發達工業化和地區生態造成的破壞性後果提出質疑。他的作品乍看是優美的山水風景, 可走進細節才發現是衰敗的現代城市, 充斥著各種人造的工業符號。宋代繪畫中的樹木枯枝被金屬板、電線桿替代, 由摩天大樓組成的山巒正在受到洪水的威脅... 楊泳梁通過自我獨特的語言巧妙地暗示了傳統與現代、自然和人文間的微妙對話和平衡。

楊泳梁的作品曾在倫敦大英博物館、紐約大都會博物館、新加坡國家美術館、巴黎現代藝術博物館、上海當代藝術博物館、福岡亞洲美術館、台北國立台灣美術館、金澤 21 世紀美術館、塞薩洛尼基當代藝術中心-SMCA 及第 2 屆塞薩洛尼基雙年展等世界重要機構中展出。更被波士頓美術館、新南威爾士美術館、紐約布魯克林美術館、舊金山亞洲藝術博物館和澳洲維多利亞國家藝術館等機構永久收藏。

Yang Yongliang · Time Immemorial, PARIS-B, Paris 2018

楊泳梁·設色山水, PARIS-B, 巴黎 2023  
Yang Yongliang · Imagined Landscape, PARIS-B, Paris 2023

**Yang Yongliang** was born in 1980 in Shanghai. He graduated from the China Academy of Art in 2003 with a major in Visual Communication. In 2005, he began experimenting with contemporary art, exploring various mediums such as photography, painting, video and installation.

Yang creates a dynamic fusion of tradition and contemporary elements, blending ancient oriental aesthetics and literati beliefs with modern language and digital techniques. His artwork presents an expansive meta-narrative that draws inspiration from history, myth, and social culture, all unfolding within the context of the ever-changing urban landscapes. For example, Yang is known for using architectural images as brushstrokes and skilfully portraying intricately detailed mountain rocks, paying homage to the landscape painting traditions of the Song Dynasty. While urban development brings prosperity to city life, it also serves as metaphorical confinement for many individuals. Similarly, he acknowledges the profoundness of centuries-old cultural traditions while questioning their tendency towards stagnation.

## CONTACTS 联系我们

Romain Degoul  
romain@paris-b.com

Ziggy Liu 劉泳歆  
ziggy@paris-b.com

PARIS-B, 原為巴黎北京畫廊(Galerie Paris-Beijing), 最初在2006年成立於北京, 被認為是推廣中國當代攝影作品的先鋒。2014年艺廊遷至巴黎市瑪黑區, 展覽空間面積四百平方米。如今, 在巴黎乃至法國、歐洲的藝術舞台上持續活躍了十二年之後, 巴黎北京畫廊於2021年正式更名為PARIS-B畫廊, 以此體現其藝術方向涵蓋所有創作形式和藝術表達的重大轉變。

在舉辦展覽和規劃策展項目的同時, PARIS-B還通過PBProject將其部分展覽空間用於支持年輕藝術家的創作。

Founded in Beijing in 2006, and established in a beautiful 400m<sup>2</sup> space in rue de Turbigo since 2014, the gallery was at the time considered a pioneer in representing contemporary Chinese photography. In 2021, after twelve years of presence on the Parisian, French and more broadly European artistic scene, Galerie Paris-Beijing becomes PARIS-B, embodying a significant turn in its programmation: the gallery is now multidisciplinary and represents a panel of artists from all walks of life, embracing all forms of creation and artistic expressions. In parallel to organizing exhibitions and curatorial projects, PARIS-B dedicates part of its exhibition space to supporting young artists through the PB Project.
